Re: Cecil Mills

Dear Mr. Pinney:

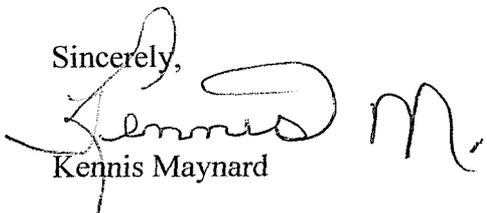

*Case No. 2005-00361*

Joe Hammond from the Martin County Water District has informed me that the water service line that supplies water to Mr. Mills residence has been re-routed and that Mr. Mills is very pleased with the water pressure. A chart recorder will be placed on his line to verify the exact water pressure to his meter and the results will be forwarded to your office.

I wish to thank you for the patience and support your office has extended the District in this matter.

If you have any questions regarding this matter, you can call Joe Hammond, Manager, Martin County Water District.

Sincerely,

  
Kennis Maynard
